		x
		x
		x
		x
		Travel day

**Tasks of the participant:**  
 The participants have to gain in additional qualification. They have to identify skills and expertise need for their daily work. In addition, they have to expand their personal network to use it for further projects.

**Monitoring and Mentoring of the participant:**  
 During a preliminary meeting the participants will be informed about the project in general and about the expected benefit of the proposed program by the project leader.

**Evaluation and Recognition of the mobility:**  
 After the experience the participants have to present new skills and expertise to colleagues. A certificate from the receiving organization will be used for personal portfolio and further vocational career; it will show to employers' additional qualification and to the participants the value of lifelong learning strategies.

### III. COMMITMENT OF THE PARTIES INVOLVED

By signing this document, the participant, the receiving organisation and sending institution confirm that they will abide by the principles of the Quality Commitment for Erasmus+ staff mobilities.
